April 1, 2008

I can't believe I'm saying this but we have decided to close our doors here at Frozen Image Photography and peruse another career. I know this comes to a big shock to all of you and all I can say is..... April Fools! C'mom, you didn't see that coming? Of course we're not closing Frozen Image Photography! We're just getting warmed up (no pun intended!)

Ok, I promise no more corny jokes for the rest of the newsletter :)

Lifetime Portrait Program Closing soon!

Yes, "closing soon" means you may still have time. We have a couple more slots open for 2008. As mentioned before, membership open to everyone was for the month of March. We can only allow a certain number of members each year. While we hope we have everyone as life long clients we can't operate having everyone in the Lifetime Portrait Program. Not yet anyway! We planned on closing the program to new members at the end of March and re-opening later this year. However, during March we almost met our annual goal of members. So we will leave it open until our goal is met. It seems everyone has recognized the value of this program and jumped on the opportunity. It may be a day and it may be a week but as of now you still have time. Call today to jump on this wonderful opportunity. Not sure what this is? Click [here](#) to read last months newsletter.

2008 Women's Affair

Come join us this weekend April 4, 5, and 6th at the Carlson Center for the annual Fairbanks Women's Affair. Friday night holds something new and exciting. There will be a wine tasting with 20 stations and over 100 wines. The stations will be located in different vendor booths around the arena. If you've never attended you should really think about it. There is literally something for everyone. We will have a drawing to win a free studio portrait session. So, stop by our booth say "Hi" and sign up for the drawing!

More details on the Women's Affair can be found [here](#)

High School Seniors

Believe it or not we are already receiving calls to schedule Senior Portrait appointments for this summer. I know it seems like there is plenty of time but anyone who has tried to schedule a portrait session here during the summer months knows how booked our schedule is.

We have really worked hard to expand our bag of tricks to bring you new looks and ideas this year. We can't wait!

There is a really good chance that we will be running a promotion for location portraits for Seniors this year. So, if you are interested in doing your Senior Portraits at a location of your choice watch your inbox and frequent our Blog for details!

We are still accepting applications for Senior Representatives for the Class of 2009! What's a Senior Rep you ask? It's an opportunity to receive a free Senior Portrait session, huge discounts on your senior portrait order, and the opportunity to be in our drawing and win an IPOD

Application deadline is May 15, 2008. Once we receive all the applications we will review them and contact our choices for the new Class of 2009 Senior Reps! After your portrait session we will provide you with a leather album of your prints to show off to your friends. The more friends you refer to us the more stuff you get in return. Also, each friend you refer gets your name in the hat for the IPOD drawing. Refer 10 friends, get 10 chances to win! Everyone you refer will also receive 8 free wallets with their order! Feel free to call us for more information 457-5406 and to become one of our 2009 Senior Reps! We look forward to hearing from you and even better...we look forward to photographing you!

There are limited openings to be a Senior Rep so call today!

Summers around here are crazy. Once late May or early June arrives we tend to stay booked 3-4 weeks in advance until the end of the year. I only tell you this so you can plan ahead for your senior portraits.

Outdoor Portraits

We just can't wait! Call it spring fever, lovin the sun or just plain 'ol wanna get outside. Either way, with these temperatures we have started doing portrait sessions outside in the snow! We all know breakup is not the prettiest time of year. However, right now is still a great time to get outdoor portraits with the snow. So, don't put your hat and boots away just yet. Put them back on, bring a smile and have some fun in the sun.....errr, snow!

Gift cards and Gift Registry

We operate these programs to enable anyone to get everything they want!

- Gift Cards – Pretty self explanatory and you've seen them before. Credit card style gift cards! You can call, email or pick up here. Just tell us how much you want on the card and presto....and instant gift that will make you a favorite among family and friends.
- Gift Registry – This program is definitely most people's favorite. Once we have your account on file you can begin enjoying the benefits of a Gift Registry. Anyone can call or email us and donate a "gift" to your account. Family and friends from all over the country! Before you know it you will be able to easily afford your favorite Baby Portrait Club, or our new Lifetime Portrait Program, upgrade your package, get new items, go one size bigger, or whatever you want!
